# COMMERCIALLY PROVEN – UNIVERSITY TESTED

Nature's Defense All-Purpose Granular Animal Repellent offers a truly organic, safe and proven effective repellent that drives 24 different animals and pests away from your home and prevents them from returning.

## WHAT MAKES NATURE'S DEFENSE THE BETTER REPELLENT

Weiser Group is committed to safe, effective and responsible animal control. Our MULTI-PATENTED SafeScent Technology triggers avoidance behavior in animals and pests, naturally driving them away from your home without harm. **Nature's Defense was used in a real-world, one-year university study for mice control, showing an effective rate of 94.1%.**

**Directions for Use:** Shake well before each use; granules are naturally moist and may clump. Lightly sprinkle granules in and around areas you want to protect per chart below.

**Note:** Can be applied directly onto plants.

PROBLEM	*INITIAL APPLICATION PERIOD	MAINTENANCE
AVERAGE	2X PER WEEK FOR 2 WEEKS	1X PER WEEK
SEVERE	3X PER WEEK FOR 3 WEEKS	1X PER WEEK

**\*Must be applied as directed. Allow 1-2 weeks for product to take full effect.**

Burrowing and tunneling animals: Sprinkle granules into all holes and tunnels per chart application rate.

**Storage and Disposal:** Store in a cool dry area. Do not reuse empty bag. Place in trash or recycle where available.

**CAUTION:** Not for human consumption. Keep out of reach of children. Avoid prolonged contact with skin.

Made with Weiser's Multi-Patented SafeScent Technology. Other patents pending.

Weiser's Nature's Defense Animal Repellent is exempt from EPA registration under FIFRA, and is under FIFRA 25B classification.
